

## **Candidate 2**

The candidate evidence has achieved the following marks for each element of the coursework assessment task.

**Dissertation title: How successful by 1939 was the Nazis' attempt to create a Volksgemeinschaft?**

### **Analysis, evaluation and line of argument**

There is an attempt to answer the evaluative aims of the question and analyse the issues involved although this is not deep or sustained. The argument is generally clear although there are confusions.

### **Historical sources/ interpretations**

The candidate does not demonstrate awareness of historians' interpretations in this particular chapter although there is a reference to primary evidence (the document Law for the Protection of German Blood 1935).

### **Thoroughness/ relevance of information and approach**

Treatment of the issue shows sufficient knowledge which reflects a basic understanding of the issue.
