Commentary on candidate 2

The evidence for this candidate has achieved the following marks for each part of the analysis stage.

Evaluation of the solution in terms of fitness for purpose

The candidate was awarded **2 marks** because the evaluation of the solution's fitness for purpose is detailed and does make reference to the testing that was carried out.

However, this evaluation is slightly inaccurate as the solution does not validate all customer inputs and there is no facility to search by product name.

Evaluation of the solution in terms of maintainability and robustness

The candidate was awarded **2 marks** because the evaluation of maintainability and robustness is complete and contains appropriate details.
