Additional Comments/Overview				
<p>The candidate has worked unaided and silently on this project. I knew that she was inspired after the Lyon visit and she accessed reading materials and films that I had never heard of. She was so selective of her blog and would not present her work to anyone until she was completely happy with how it looked. She was very conscious that her blog was almost a eulogy to these women. She finally uncovered her blog and left me alone to read it. I was astonished at the amount of work and time that she had spent translating audio files and texts. She is proud of her work. It is an excellent piece of history presented to a modern audience. These women no longer lie in the archives as a result of this project.</p>
