J. ORSON'S
OAK FURNITURE

Living room sets

With more than 24 furniture ranges available, there's plenty to choose from for your living room. We use only the highest quality materials, sustainably sourced from Belgium, Italy, Portugal, and other European countries. Our living room furniture can come in natural or rustic oak, and can be grey for a more contemporary style.

Our spring Sale!

This Spring, we are offering discounts of up to 70% on all purchases. We currently offer free delivery on purchases over £1999, however, for a limited time, our delivery team will deliver any solid oak item free-of-charge when bought in conjunction with one of our sale Products.

For more information on upcoming discounts sign-up to Our newsletter online or in store.

Bespoke Furniture

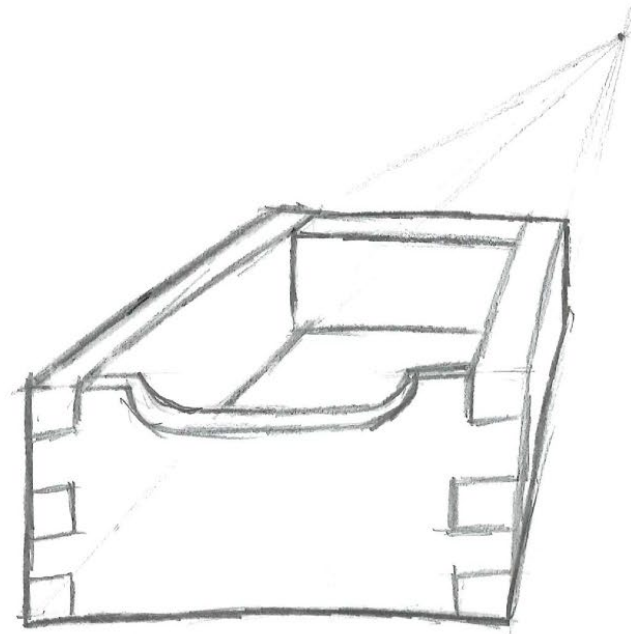

We offer a made-to-order service with fully customisable living rooms, dining room and bedroom furniture. Simply contact us using our online order form and one of our design specialists will arrange a consultation with you to discuss your specific furniture needs.
