Billy, Where's Your Bridie?

DIRECTOR'S NOTES

Dressing Rooms

- ▶ Dressing rooms must be kept as tidy as possible and left in the state you found them in.
- ▶ Further information regarding the rules for the children's dressing rooms will be issued separately by Karen Loff (Club Secretary).
- ▶ There is a strict no-smoking policy in the theatre. Candles and naked flames are not permitted either.
- ▶ No alcohol must be consumed before or during any performance.
- ▶ Check the relay system is turned on to allow you to hear cast calls and follow the run of the show. If there is a problem with the relay system, please notify the Company Stage Manager as soon as possible.

Costumes

- ▶ Always treat your costumes with care and respect. Put them on hangers when not in use. Do not leave them in a heap on a chair or on the floor.
- ▶ Children should have each costume on a separate hanger which should be named.
- ▶ With the exception of an emergency evacuation, never leave the theatre in costume or wearing stage make up.
- ▶ Cast should not go front of house wearing make up or costumes.

- ▶ If there are personal props that you keep in your dressing room, please understand that it is your responsibility to make sure you bring them to the stage.

Motivational quote

- ▶ "We know what we are, but know not what we may be." - William Shakespeare

Dress Rehearsal -

VOCAL AND DANCE WARM-UPS

Vocal

- ▶ Start low, perhaps at A3, and sing up the scale to an octave above. Take your time and see if you can sing this exercise all in one breath. While you don't have to sing the warm up well, focus on your intonation to create the best **vocal** sound. Don't push – this exercise should be nice and relaxed
- ▶ **Lip Buzz.** To do this vocal warm up, simply vibrate your lips together without pitch, at first. This will help build up your breath support and stamina while singing.

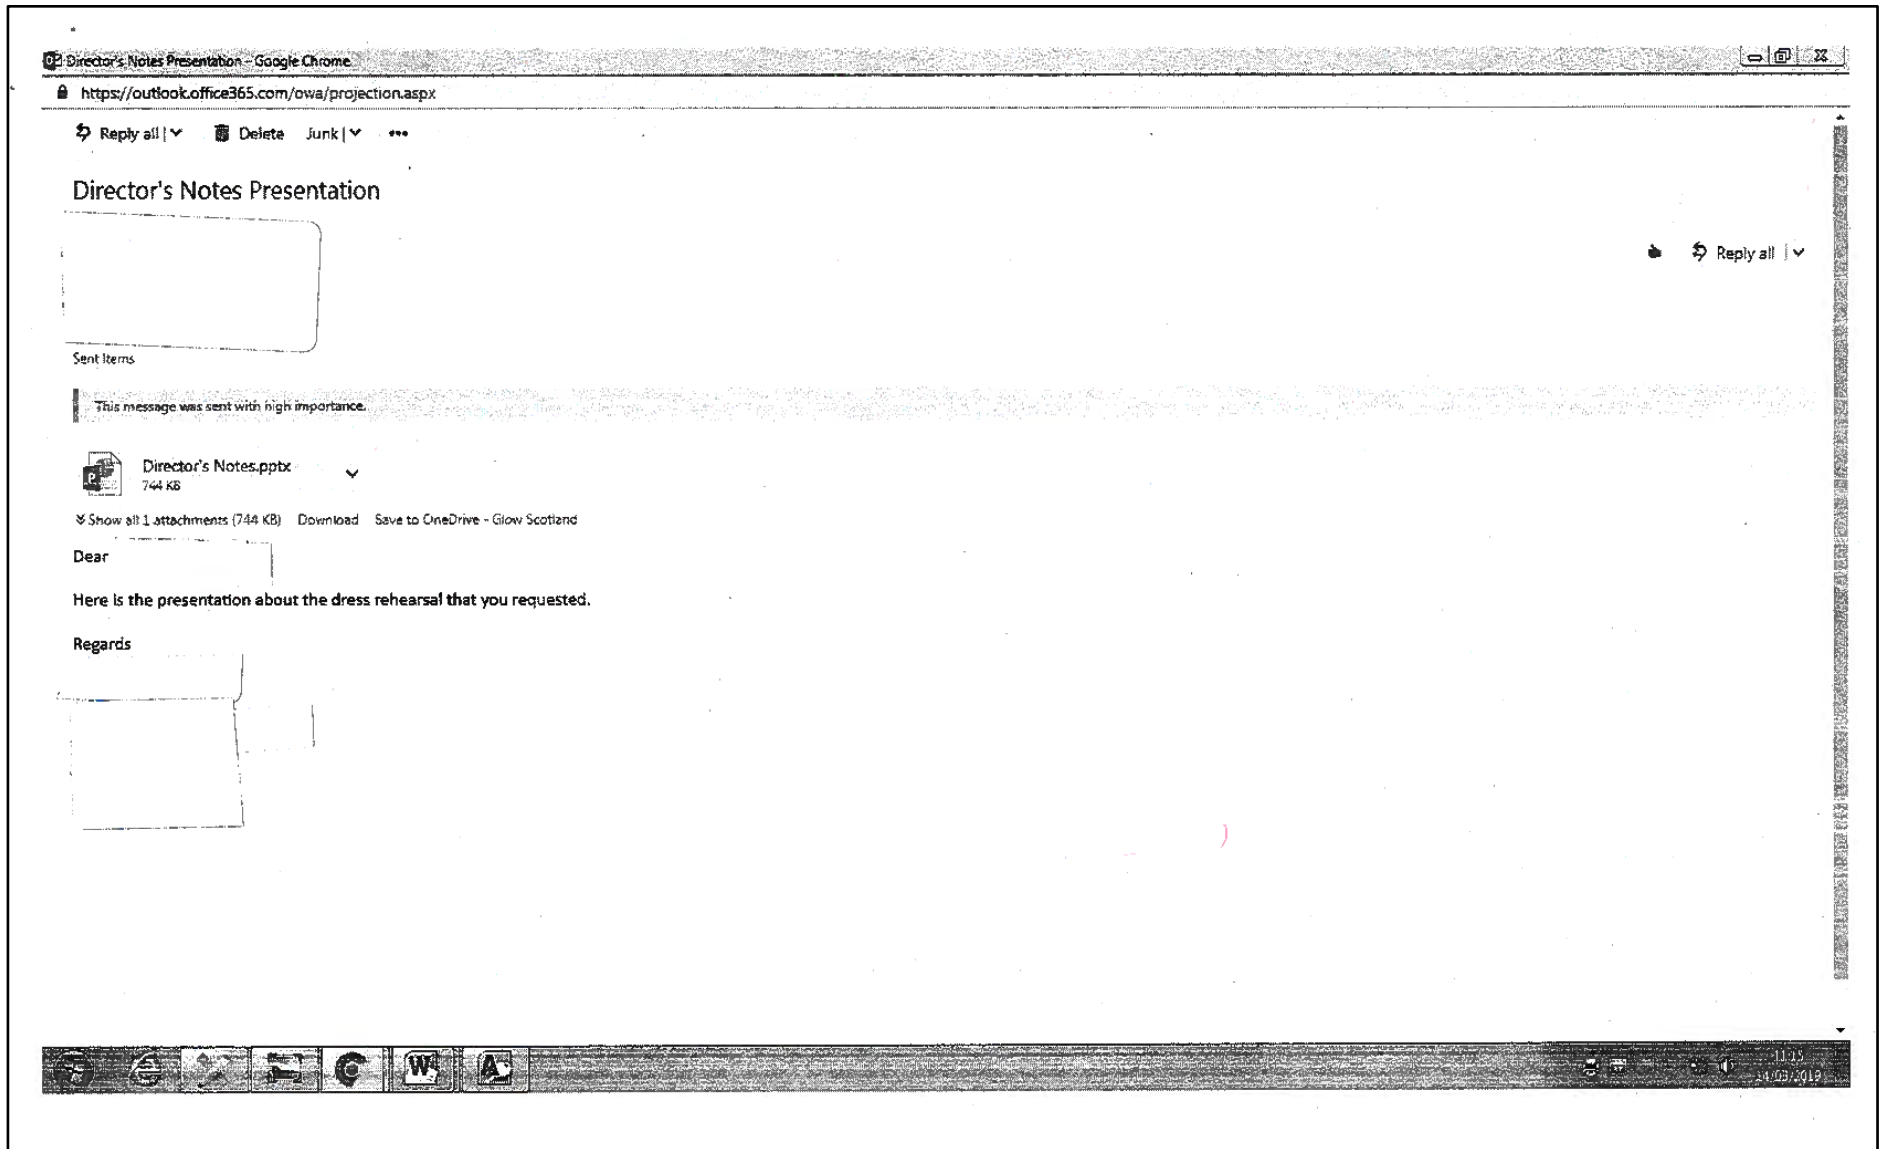

Dance

- ▶ Walking Knee to Chest. This **dynamic stretch** is a great way to slowly get your **body** moving while **stretching** main muscle groups.
- ▶ **Lunges.** Stand with one leg straight in front of you and one straight behind, then slowly bend the back leg down into a lunge position.
