~~Dear Sir,~~ I am writing this report because

Dear Sir,

I am writing this report ~~about my~~ because you asked me ~~to~~ about my opinion and recommendations on the feasibility of the company moving to a four-day working week for all staff. Based on my experience, working for four days a week ~~is a good idea~~ has some benefits and some drawbacks; for example:

~~The~~ productivity of the company will decrease when there will be less days of working and this will limit the company's productions but if we want to ~~talk~~ talk about staff morale, they will become more respectful to you and this will build a good relationship between you and them. But ~~it~~ this has a positive effect on the quality of the products where they will have enough time to rest and have fun with their family and friend and this will make them more flexible so when they come to work they will feel that they have an excess ~~and~~ energy and they need something to spend that energy on, that's

why I said it will ~~not~~ have a positive effect on the quality of the products. As I mention that it is going to reduce the productivity of the company so it will also reduce financial benefits and this will lead ~~to~~ ~~the~~ ~~company~~ ~~to~~ ~~lose~~ ~~its~~ ~~reputation~~ ~~and~~ ~~the~~ ~~destruction~~ of the company. After that the company's reputation will become bad and ~~as~~ the other companies will never deal with us. But if you would increase the productivity of the company and the quality of the products, I would suggest to offer some prizes or increase the salary of the employees. The more satisfaction ~~of~~ ~~the~~ ~~employees~~ employees the more ~~work~~ ~~they~~ ~~will~~ ~~put~~ ~~on~~ ~~the~~ ~~work~~, this in turn ~~will~~ ~~increase~~ will make the company's reputation to go to the other companies all around the world.

I do appreciate that you have trust in me to ask me ~~such~~ ~~a~~ ~~very~~ ~~imp~~ about my opinions on such a very important question.

Yours Sincerely;
