

Higher ESOL Writing – Work

Candidate 4

The Candidate was awarded 10 marks and the task is fully achieved, with a wide range of vocabulary, however there is only a reasonable level of grammatical accuracy.

Content and organisation

The candidate fully achieves the task with clear support for each point made. There is very appropriate use of cohesive devices (Nevertheless/Undoubtedly/On the other hand/To conclude) There is a positive impact on the reader, but coherence is lacking at times with some sentences being hard to follow (In this essay..../Every position require for numerous skills...). Layout is appropriate for an essay, but style is occasionally too informal.

Vocabulary and spelling

A wide range of vocabulary is used effectively within the context of the task (an edge/soft-skills/employment market/dig deep). Spelling is mainly accurate.

Grammar and punctuation

The frequency of grammatical errors means there is only a reasonable level of accuracy (Graduates is getting/When tackling with it/Getting a high salary job .../some argues) Punctuation is appropriate.
