In this essay I will try to show advantages and <sup>drawbacks</sup> ~~disadvantages~~ <sup>School</sup> ~~from~~ learning ~~at different schools~~.

Firstly, depends on what topic or what ~~kind~~ <sup>type</sup> of job <sup>students</sup> ~~you~~ chose it is ~~very~~ extremely important that ~~you~~ <sup>they</sup> are aware of hard work during the year. ~~One~~ <sup>ones</sup> are exposed on variety experience, ~~and~~ while can gain a practical skills. Also, without theoretical knowledge ~~it~~ <sup>it</sup> is believed, is impossible to <sup>earn</sup> ~~make~~ money in the future, <sup>The higher</sup> ~~the~~ <sup>qualification</sup> ~~the~~ <sup>means</sup> the biggest profits from working.

Being exposed at numerous problems teach people how to solve <sup>any</sup> ~~issues~~ <sup>problems</sup> ~~or~~ <sup>which comes</sup> ~~from~~ different situation. Some opoments stays that he are more creative if he work with others. Teamwork lead to creative thinking, because as many people as great ideas. Those skills are come from attending <sup>the</sup> ~~college~~ <sup>school</sup>, ~~and~~ <sup>self-study</sup> self-study will not <sup>bring them high</sup> ~~bring them high~~ in their adults life. Despite the fact that

the tutors are willing to answer all the questions, they can advise with variety topics, because of their experience. They used to be helpful, ~~more than~~ though, having them close is the faster way to important information.

Furthermore, the technology has changed for last decade and because of that ~~finding~~ <sup>finding</sup> some information is ~~is~~ easier.
