

Candidate evidence

Task 2 — Study

Some universities and schools give their students the opportunity to take one year out of their course to go and study their subject(s) abroad.

Write a **formal essay**, considering the advantages and disadvantages of this.

You should include some or all of the following points:

- experiencing a new culture
- overcoming new challenges
- broadening of horizons
- language barriers
- loss of continuity with friends/lecturers at home.

You may also add your own ideas.

You should write approximately 250–300 words.

Candidate 3- Study

Task Number

2

Some universities and schools give their students the opportunity to take one year out of their course to go and study their subjects abroad.

The advantage^s of this, first of all is the chance for students to get new experience in different cultures. They have chance to spend a year in new country not only for studying, also meet new people, new culture and feel new communicating experience. Studying abroad make you more confident and brave, more competitive. Because it is twice harder when you don't have your family ~~was~~ or friends next to you. That is why foreign student more concentrated on their

MARK

progress in studying, have bigger motivation for achieving better results.

The disadvantage of studying abroad for students is homesick, because they are far away ^{from home} and it might be difficult at first to feel themselves comfortable.

The other disadvantage is a language barrier. Because it is really hard and uncomfortable when you are not able to communicate with your classmates and teachers properly. Can't express yourself correctly and ~~cannot do it~~ sometimes it may cause misunderstanding or conflicts. During studying foreign students may feel difficulties because of language barrier, so they need to work harder.

MARKS

Foreign students ~~are~~ feel loss of continuity with their friends which stayed behind and their teachers.

In conclusion, the opportunity for students to take one year out of their course and study abroad has some advantages and disadvantages. But the main thought is you will never know until you try it. ~~So~~ For ~~of~~ students the opportunity of new experience is the way to become stronger and more confident.
