

Commentary on candidate evidence

The candidate evidence has achieved the following marks for each question of this component.

Candidate 8

Writing: Work

Identifier: University Exchange programmes are amazing opportunities...

The candidate was awarded **13 marks** as spelling and some awkward grammar detract from the effect of optimal content and organisation.

Content and organisation fit the top of the 15-13 descriptor.

An optimum range of vocabulary is used 'It is no secret that/near to zero/problematic', but not always appropriately 'turnoff/ unknown society'. There some noticeable errors in spelling, 'ovewelming, programms, essencial, foreing, advanteous' and this limits the mark to 13.

An optimum range of grammatical structures is used effectively, though occasionally sentences sound awkward 'rarely do face no difficulties abroad/extremely overwhelming'. Punctuation is mostly accurate although there is a comma used for a full stop 'introverts, however, considering'.
