	seen in image 3, these could inspire a designer to create a flowing top with bell sleeves.
	<u>Texture</u>
	one aspect from these images which could inspire an item for a summer holiday collection is the smooth water seen in image 1.
	This could inspire a designer to create a silky & thin overcoat to be worn in hot climates.
	another aspect from these images which could inspire <del>shape</del> <sup>shape</sup> in a summer holiday collection is the palm leaves seen in image 1 and 2.
	these could inspire a designer to <del>create</del> <sup>create</sup> a structured layered shirt

## Candidate 2 evidence

ENTER NUMBER OF QUESTION	DO NOT WRITE IN THIS MARGIN
1a	Colour:
	• The purple from the sky could inspire
	the designer to design a purple coloured
	fabric dress for the summer holiday collection.
	• The green from the stem of the flower
	could inspire the designer to design a green
	coloured fabric skirt for the summer holiday
	collection.
	• The yellow from the sun and the red from
	the sky could inspire the designer to design
	a red coloured fabric shorts with yellow
	embroidered flowers for the summer holiday
	collection.
	Pattern:
	• The reflection of the sun on the water
	could represent stripes, this could inspire
	the designer to design a striped patterned
	fabric t-shirt for the summer holiday
	collection.
	Shape:

ENTER NUMBER OF QUESTION	DO NOT WRITE IN THIS MARGIN

• The triangular shape of the sail on the boat could inspire the designer to design a ~~striped t-shirt~~ t-shirt with a v-shaped neckline for the summer holiday collection.

• The shape of the hill is wide at the bottom and gets narrower towards the top, this could inspire the designer to design a blouse with balloon sleeves for the summer holiday collection.

## Candidate 3 evidence
