Logo and full name of company used in the design

Rhythm and company colours used. Rhythm is created by the repetition of the small blue circles throughout the design

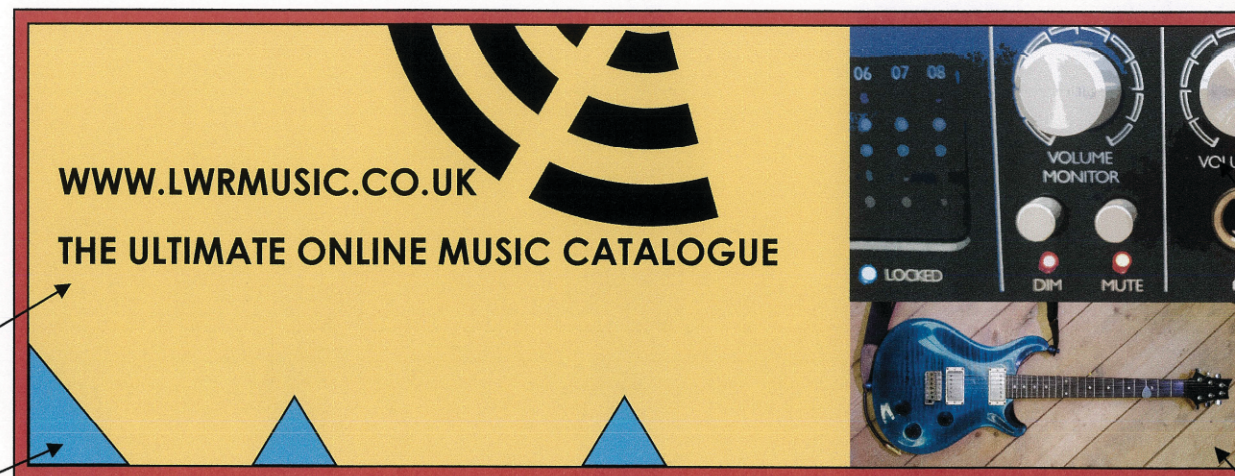

Depth created by overlapping the text over a feature in the design

Exploded Pictorial Sketch

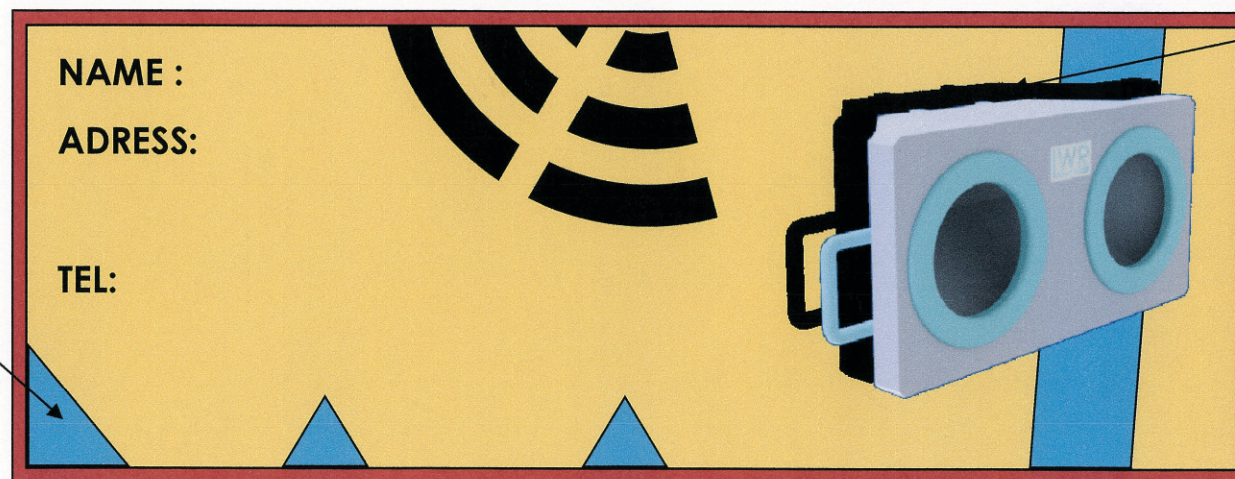

SIDE 1

- Copy text, font style and allocated colours used in the design
- Colour fill used also in the design

- Bleed used on top right image to help make the layout more appealing
- Image from data sheet 8 present
- Drop shadow present behind assembled speaker, creates depth.
