| | In conclusion, MUP will | |
| | reduce the ^{rate} number of | |
| | criminal activity caused by | |
| | alcohol consumption. | |
| | | |
| | Source A states that a | |
| | main aim of MUP is to | |
| | tackle social issues | |
| | associated with alcohol as | |
| | 60% of young offenders | |
| | were drunk at the time of | |
| | their first offence. This | |
| | links to Source B which | |
| | shows that since the | |
| | introduction of MUP in | |
| | 2018, it is predicted | |
| | that there will be a | |
| | decrease in the number | |
| | of alcohol related violent | |

* This shows that MUP has helped to reduce alcohol-related crime.

and hate crimes per year. *

Overall, as shown in sources A, B and C, MUP has resulted in a dramatic reduction in ^{the extent of} alcohol related ill health and crime.

However, it has mostly affected the drinking habits of those from poorer backgrounds - as shown in source C but it has had little affect on classes A and B.

Furthermore source A suggests that its the 'everyday person trying to buy a
