TASK 2C

Annotated Final Graphic

Extended Text:

"Beyond the screen,
into the adventure"

Depth:

Drop shadows
underneath
graphics used to
create depth

Extended Text:

"Step into a new
reality"

Contrast:

The orange colour on
"adventure", "into the", and
the company logo contrast
with the blue background,
since orange and blue are
opposite each other on the
colour wheel

Dominance:

I used dominance on the
PocketVerse logo by
making it the largest
graphic, therefore making
it the most eye catching.

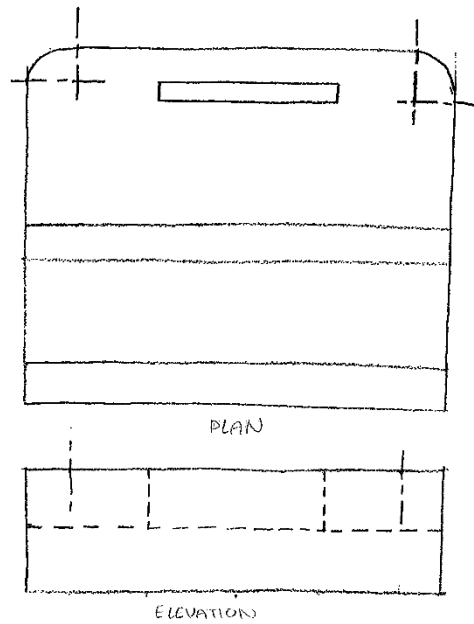

Flow Text along a Path:

I used flow text along a
path on the company
name to flow it around the
company logo
