4.	<p>One way christians can worship is by <sup>reading/studying</sup> <del>receiving</del> the bible. This method can teach us how to <del>not</del> behave as christians.</p> <p>Another way christians worship is by attending church. By attending church we are giving our time to god. In a church we could sing hymns as another way of worship. Another way of worship could be getting into a communion and celebrating it. Another way of worship would be by following jesus' teachings for example helping the poor, loving your neighbour or forgiving enemies.</p>
5a.	<p>One thing they believe about jesus is that he is omniscient. This means he is all knowing &amp; can see everything. This can comfort christians as they know jesus is watching over them. Another thing is they believe that jesus is omnipotent meaning he is all powerful and not limited to anything. Christians also believe he is all <sup>loving</sup> <del>merciful</del> meaning he is merciful &amp; compassionate. Another <del>belief</del> belief about him is that he is <del>all</del> immortal meaning he is still involved in our world &amp; knows what it is to be human &amp; to suffer. This comforts christians as they find comfort that jesus knows the pain they may be going through. Another one is that he is a fair judge. Christians don't have to worry about</p>

	Judgement day as they know that god is fair.
B.	They may be affected by having to make different decisions. Another <del>may</del> affect could be they may feel closer to god & comforted by him knowing he is watching over them.
6a.	They understand that by sinning we are obeying <del>god's</del> <sup>god's</sup> rules & distancing ourselves away from god by sinning. <del>we</del> you will be judged for your sins at judgement so we should avoid it.
B.	I mostly don't agree with this. I do understand that in today's day it hard <del>now</del> because of modern temptations however we do have free will to decide to give in or not to sin so I believe if you have self control and not give in it should not be hard. On the other hand in today's day christianity isn't really forced so its becoming less popular and may be mocked by people making christians distance themselves from god & committing sin, <del>we</del> can agree that this can make it hard for
