	part 2	
	section 2 - part B (morality and relationships)	
22)		
a.	one type of marriage is homosexual same	
	sex marriage. this is when 2 two people from	
	of the same gender get married (a woman and	
	a woman or a man and a man). this has only	
	more recently been legalized, but in many	
	countries it is still illegal for same sex marriage	
	to occur. another type of marriage is arranged	
	marriage. this is when someone from the 3rd	
	part party (e.g. a parent, a friend) set organises	
	the marriage. many people get arranged	
	marriage and forced marriage mixed up.	
	arranged marriage is when both parties have a	
	say on if they consent to the marriage, whereas	
	forced marriage they do not get a say, it	
	is completely controlled by a member of the third	
	party.

24)	i agree with the statement that 'religious people have a moral responsibility to promote equality'.	
	one reason i agree with the statement is because i think it is important for for everyone to promote equality to make people feel safe.	
	another reason why i agree with the statement is because everyone should have the same opportunities even in religious activities. things such as gender roles in religions, something men are more likely to be priests' but its important to allow woman to have that same opportunity to be fair.
