The candidate evidence has achieved the following marks for each part of this assignment.

## Candidate 4

The candidate was awarded **20 out of 20 marks**.

### Standard A

The candidate was awarded **4 marks**. The first page has lots of points about significance and impact, and there are further points made throughout the report too, for example, when they look at implications of religious teachings for the issue. Taken together this is worth full marks.

### Standards B, C and D

The candidate was awarded **10 marks**. The report makes excellent use of sources, ranges within and between views and includes strong analysis and explanation of religious sources and teachings. It remains consistently focused on the question and information applied is relevant and used skilfully.

### Standards E and F

The candidate was awarded **6 marks**. At first glance the conclusion seems a little thin, however taken holistically the whole report can be read as a clear and valid justification for the view, therefore this part is worth full marks.
