Dear Head Teacher

FREE ACROBATIC SKILLS WORKSHOP

We are touring Scotland this year with our 2020 Circus in the Sky show. We will be in Stornoway delivering one show-stopping, acrobatic performance per night in our big tent between 2-4 June 2020 at Lews Castle.

We realise the important and challenging job a Primary Teacher has in order to cultivate the potential of each young person in their care, particularly in such financially demanding times. This is why we would like to use our skills, while in Stornoway, to help.

Circus in the Sky will be holding a free Acrobatic Skills Workshop for young people between 5-10 years of age on Monday 1 June 2020 from 12.30 pm to 3.30 pm. Young people will meet our team of performers and listen to a highly motivational and inspiring talk from our Ring Master. They will then rotate around 6 workshop stations, where they will learn different acrobatic skills.

Please find enclosed a flyer providing details of the activities at each workshop station. It also outlines the educational, social and physical benefits for participants and details of appropriate clothing they should wear to ensure both comfort and safety.
