What in the fasle advertising

What in the fasle advertising, English speakin, hypnotic excitement, bin collecting, couch surfing, bull have i just bought! I am deeply disappointed in the false advertisement of a certain product. A picture shows a whole meal yet im hit with a pastry only! Only reason i found this out is because someone in the pub made it clear. I need pictures, not words (canny read) so kindly correct your mistake for the visual beings and refund me my £1.99. i am disgusted with this and that money could have been put to better use, like a £2 spoons special pint. Yorkshire puddings with thing put inside on the picture says to me that they are stuffed. Aunt Bessie i would love to speak to you about this because you're lying to me. My mum had to help me write this so please make it right im begging u i need that £1.99 back! I need it for my lecky (which is my pint in spoons)

Speke store is amazing staff friendly...

Speke store is amazing staff friendly kind and happy store is always squeaky clean as are all the freezers glasses , shelves , everything's amazing ,I suggested this location for the speke store and was surprised when it opened not long after in the location I suggested so was really chuffed , it's good to see a well stocked clean giant store which really does have everything we shop here regularly to show our support for one of the lesser mentioned stores in UK which should be mentioned more as they are growing and I believe will soon knock Iceland off there prices are low deals are affordable especially kids foods too a good selection ,they have a good s election of cheap drinks and crisps sweets , a very affordable shop for everyone at the prices they list everyone should shop here I certainly will for the foreseeable future , I visited the belle vale store it's huge but you don't get the same happy vibe as the speke store so for now we'll stick to that , way to go speke store you know who I am ! We're always in the store ,best wishes guys .

Dreadful customer service
Dreadful customer service. Placed an order with expected delivery, a week later still waiting. No contact to let me know. Contacted customer services which took ages to get through to be told that the order hadn't left the warehouse. Really poor. I wont be
