adult, they'll now have to
~~live~~ soon live independently,
work full time and earn
money for themselves.

3 The behaviour approach is
basically testing on what a
kidds reaction is going to
be and what they're going
to do.

4 Nature influences are the
fact that he has anxiety,
this stems from both his
mum and dad as they both
have also had a past with
mental health issues.

Nurture influences are how
