

Commentary on Candidate 2

The evidence for this candidate has achieved the following marks for each *stage* of this Course Assessment.

Question 1(a) Action Plan

The candidate was awarded **5 marks** because there was a full description of Bob`s condition and why he is suitable for the project. There was 4 relevant points of explanation.

Question 1(b)

The candidate was awarded **1 mark** because although they did mention all three areas of the project and timescale the information was weak with minimal tasks and little detail.

Question 1(c)

The candidate was awarded **3 marks** because two sources chosen looked at 3 appropriate areas of research.

- Bob`s needs
- Behaviour
- Types of care

Question 2(a) Responding to the brief

The candidate was awarded **8 marks**

Physical needs 2 marks

Emotional needs 3 marks

Social needs 2 marks

Cognitive need 1 mark as reference was made to physical need

In each area the candidate looked at the care worker`s role in assisting Bob.

Question 2(b)

The candidate was awarded **8 marks** with 4 marks allocated to each psychological theory.

Maslow

Features of the theory 1 mark

Family support 1 mark

Survival, food etc. 1 mark

Changes in circumstances and reliance on his wife 1 mark

Erikson

Features of the theory 1 mark

Identifying stage 5 Identity v Confusion 1 mark

Impact on behaviour 1 mark

Identifying stage 1 Trust v Mistrust and relating it to Bob and accepting help 1 mark

Commentary on Candidate 2

The evidence for this candidate has achieved the following marks for each stage of this Course Assessment.

Question 2(c)

The candidate was awarded **7 marks** for this question.

Concept 1 role (3 marks)

Father and Grandfather 1 mark

Change in role unable to help 1 mark

Feeling useless and low self- esteem leading to exclusion 1 mark

Concept 2 (2 marks)

Prejudice 1 mark

Exclusion 1 mark

Concept 3 (2 marks)

Stereotyping won't manage 1 mark

Choice and opportunity 1 mark

Question 2(d)

The candidate was awarded **3 marks** as the features of the positive care environment in the three services they chose were not fully described.

Live in care for description 1 mark

Meeting Bob's needs 1 mark

NHS reference to Physiotherapy 1 mark

Meeting Bob's needs 1 mark

Age UK help with benefit entitlement 0 marks as target age is over 65 years

Question 2(e)

The candidate was awarded **5 marks** for this question.

Erikson stage 3 guilt about family coping with his needs 1 mark

Care worker training and reflection on practice and using previous experience 1 mark

Stage 6 isolation leading to depression 1 mark

Care worker may refer to group and GP 1 mark

Maslow esteem/feeling of uselessness 1 mark

Commentary on Candidate 2

The evidence for this candidate has achieved the following marks for each stage of this Course Assessment

Question 2(f)

The candidate was awarded **1 mark** because they did not answer the question fully and only gave a list of where they found information without appropriate or correctly referencing.

List of National 5 units 1 mark

Question 2(g)

The candidate was awarded **2 marks** because all sections were complete with only a few errors and project did relate to Bob and his needs.

Commentary on Candidate 2

The evidence for this candidate has achieved the following marks for each stage of this Course Assessment.

Question 3(a) Evaluation

The candidate was awarded **2 marks** because there is little reference to the Plan or Log with a poor response to the question overall. Marks were awarded for difficulty in getting information about care services linked to Bob`s disability 1 mark.

Finding out what Bob could do to help himself 1 mark.

Question 3(b)

The candidate was awarded **4 marks** because in each of the candidates 4 bullet points they reflected on what they would do differently therefore a point was awarded for each.

Question 3(c)

The candidate was awarded **3 marks** as they reflected on how they might use their knowledge and understanding gained.

Making someone`s life easier 1mark

Locating care service knowledge 1 mark

Deeper understanding of people who require care and relating it to future career 1 mark
