Subject: Improvements for the park

Date: 25-05-2022

Dear Sir/Madame,

I am writing to you because I want to discuss the problems ~~with~~ of ~~the~~<sup>our</sup> ~~park~~ local park,

Lately I have noticed that the lights in the park are not working anymore and ~~the~~ ~~of~~ people in the community have started avoiding ~~the~~ walks at

a certain time because it is dark and ~~people~~<sup>they</sup> are scared that something might happen to them ~~or~~ or to their children.

Having more ~~lighting~~ lighting in the park would ~~would~~ ~~be~~ ~~the~~ ~~best~~ ~~thing~~ ~~in~~ ~~new~~ ~~activities~~.  
~~to~~ ~~start~~ encourage people to start using the park again.

We can also bring in new activities to attract people, activities ~~at~~ <sup>like</sup> football clubs for children and adults, valley ball clubs, a fitness club so that people can be in contact with nature.

To make people ~~we~~ feel more safe we can employ ~~we~~ guards to go around the park and make sure that ~~we~~ <sup>no one</sup> drops litter around for animals to eat, ~~that~~ make sure ~~we~~ <sup>no one</sup> ~~get~~ get bullied and watch out the animals in the park. ~~to make~~

This can also bring jobs to the community, ~~will~~ ~~cost~~  
The local profit <sup>will</sup> rise up due to the new opportunities of work.

Thank you for reading my email, I ~~really~~ hope you consider my ideas.
