This essay will be about the advantages and disadvantages of studying at college while living at home with their families. There will be presented various of examples which help to make <sup>-general</sup> conclusion about it.

The first at all, the costs of studying at college while <sup>their need are higher than when</sup> you studied <sup>do you live</sup> need to move on to other city <sup>than</sup> ~~which~~ <sup>higher</sup> ~~than~~ <sup>in parents home.</sup>

The student needs give a lot of attention <sup>and make a big effort</sup> to find suitable accommodation. The room or the flat <sup>not too expensive</sup> ~~doesn't need~~ <sup>to be</sup> should be ~~to expensive~~

and flatmates should be trustworthy and friendly <sup>it is difficult to achieve</sup> and ~~not to me~~. If <sup>student</sup> ~~you~~ will find <sup>cheap</sup> and comfortable accommodation close the college it is <sup>only a half of a success because</sup> ~~the~~.

It is very important to find proper <sup>people</sup> ~~people~~ with who <sup>she</sup> will share ~~with~~ the flat. It is ~~very~~ difficult. However <sup>student</sup> ~~you~~ don't have the problem when <sup>she</sup> ~~you~~ lives in parent's home. In ~~parents~~ <sup>Living in parents home</sup> the student doesn't have <sup>so the</sup> ~~the~~ <sup>pay of</sup> costs of ~~paying~~ the rent ~~as well~~ so it is useful and help.

save a money.

living in parents' home student can  
~~can~~ concentrate on <sup>the learning</sup> ~~study~~ because  
 parents ~~are~~ used to be very supportive even  
 for ~~study~~ <sup>adults</sup> children and they don't  
 make parties and ~~meet~~ <sup>have</sup> ~~laul~~ meetings  
 with friends during ~~study~~ ~~time~~ of their  
~~learning~~ and <sup>the</sup> time before exams  
 and assessments of ~~their~~ ~~adult~~ children.

In contrast, <sup>the</sup> things like this can be  
 happen when student lives in one flat  
 with people who don't respect needs  
 of other people. Student ~~can~~ <sup>will</sup> have  
 more balanced situation living in  
 family home, <sup>then with young friends</sup> ~~and predict~~ living with young  
 friends who ~~have~~ don't study student  
~~will not predict if it will be~~ <sup>guar</sup>  
 will have more opportunity to have  
 social life but in other hand it can make  
~~a~~ disaster when the social life will be  
 too intensive <sup>during</sup> ~~the~~ <sup>study</sup> time ~~when she~~  
~~will need study~~  
<sup>finally</sup> ~~living~~ at home <sup>during</sup> ~~studying~~ ~~at~~ college or  
~~and~~ <sup>during</sup> living ~~at~~ ~~no~~ in other city ~~during~~

they are  
~~studying at college~~ ~~is~~ ~~is~~ complitly different  
experiences. Hoever it is looks  
that if <sup>the</sup> aim is to achive high level  
of education it is better <sup>to</sup> study in ~~the~~ living  
~~same city with~~ ~~is~~ at home  
with family.
