

Candidate 1 – Everyday life

The evidence and commentary for this candidate were used within the ESOL N5 webinar in January 2021.

<p>Hey Klaudia.</p> <p>I wanted to share some good news with you! I won two tickets to a Polish football match. All I had to do is like a page on Facebook which was called Poland Football, then share it on my profile and tag 3 of my friends. I wanted my brother to come with me but unfortunately he will be away on his holiday, then I have asked my sister to come with me but she said she will be very busy and is that she'll be working.</p>
<p>So I was just wondering if you would maybe like to come with me?</p>
<p>The football match would obviously be in Poland in Warsaw and we would stay in a hotel and which is quite near the football stadium. We would have to leave on the 7th of July as the football match would be on the 9th of July, also we would fly from Glasgow to Warsaw. The football match starts at 8:30 pm but, we would have to be there an hour early as we will meet and greet the football players.</p>
<p>Please contact me as soon as possible as I really need to know if you are able to come with me.</p>
