## **Candidate 7**

## **ESOL National 5 Writing: Work**

	Dear Manager
	I heared that the company is planning a
	programme og training events and also looking
	gor getal back on what training would be more
	heterst helg-1.
	As a worker on this company I was very Intereste
	on this programme and I wanted to Share my
	geed back with you.
	In my opinion I think that the most important
_	would be Health and Sngety as our workers
	Should be trained and equiped with the correct
	equipment in order to gight any hazards and
	also prevent then (gor example a gire)

In case as any give we should be  trained is order to sollow the pright instructions  and prevent any Injuries or even deths.  The next point that I consider vital is having  andress and company to be public and we want to  Continue like this, this is why I think we  need to continue have a dress code, so  our stags means a piece to thing  dresses correctly towards our customers.  Having a correct dress code would also  insular help towards our customer care/service.  A good customer service would rise our  company's image and attract more  customers wich would also increase our	
The next point that I consider vital is having  adress code.  Our company to beauthous a very good  Image towards the public and we want to  continue like this, this is why I think we  need to continue have a dress code, so  our stage weers a pice towards  dresses correctly towards our cushmers.  Having a correct dress code would also  inoght help towards our customer care/service.  A good customer service would rise our  company's image and attract more  customers wich would also increase our	trained in order to gollow the peright instructions

109 Sales	
	109 Sales.

The company has a very old technology	
which makes it hard gar the stage to mark	
on, when trying to do online sales our contacting	
with our suppliers via e-mail. The to this	
reason I would ask you is you could by better	
computers so the stass can work better.
