~~waitted~~ to find free table for we have been waitted for more than 10 minutes to find free table, It was long time to wait.

In addition, the music in the restrant was very loud and noisy, Although my friend was speaking very loud to me, I were not able to hear her because the music voice.

We really like eating in this ~~restrant~~ <sup>restaurant</sup>, and we used to ~~go for it~~ <sup>eat there</sup> in spcially occasions, regardl~~ess~~ these ~~two~~ things which made us extremely dis sad about our ~~visiting~~, the foods ~~is~~ <sup>were</sup> very ~~a~~ tasty and the survice was also very nice, all staff there <sup>were</sup> very friendly.
