

Commentary on candidate evidence

The candidate evidence has achieved the following marks.

Candidate 4

Writing: Work

Identifier: 'Hi there, I text yous...'

The candidate was awarded **5 marks**. There is an attempt at the task/topic, but an incorrect style is adopted, alongside frequent errors and a very weak range of grammar and vocabulary mean this response does not answer the set question properly in any respect.

Although the message can be followed, cohesion and coherence are weak throughout. (6-7) The task is partially achieved but the style/register is inappropriate, and it is not in a report format, for example, 'Hi there, I text yous', 'First we want', 'Like for example' (0-5).

Although spelling errors do not impede communication, they are frequent and off-putting for the reader (0-5). Only basic vocabulary is attempted with frequent errors (0-5).

The candidate uses a limited range of grammatical structures but basic errors predominate: 'need get they coffee', 'it's more easier' (0-5). Punctuation is inaccurate.
