Write your answer on the lined answer sheet below and on page 03.

You have just been on an outing with some friends to a tourist attraction. Write an online review for others who may visit the attraction discussing positive and negative aspects as well as suggestions and advice for a successful visit.

You should cover some or all of the following:

- must-see highlights
- facilities available
- cost/value for money
- transport/parking.

You may also add your own ideas.

You should write approximately 220–250 words.

This review will be about my personal experience in visiting Edinburgh zoo, I will talk about some advantages and disadvantages and points to consider to achieve a successful visit. First of all, I really liked the variety of animals that the park had, from monkeys to lions, zebras to bears, although it is worth noting the park has about 30% monkeys and 70% other animals, though this could be good for some people; I was disappointed in it.

Secondly, I also liked the fact that there are toilets and cafes almost everywhere in the park, but buying anything from there was expensive, so I suggest you bring your own food with you.

Disadvantages:

Some animals just weren't in their cage without any indication that you won't be able to see them.

Also I would suggest ~~it~~ to pre-book your tickets if you don't want to wait for an ~~to~~ hour to buy them on the spot.

Lastly; my experience was good overall, I would recommend that check the times that you are going as on specific times that they have shows for animals, like the penguin walks.

I recommend ~~to~~ to see the panda (if you found it) and the lions, also don't forget to take jackets, as it might rain, and keep into ~~account~~ account that you will need to take a bus to the city centre.

Thank you.
